*Please note that if you wish to study a subject at one of our sister Academies, it is advisable that you do not choose subjects in adjacent columns (AB) and (CD) due to the time required to travel. For example if a subject is selected in column A, it is advisable that you avoid selecting a subject from column B vice versa. This also applies to columns C and D.

**If you intend to pursue the Dartford Football Academy pathway, you should not select a subject from column D.
