Dear Parents/Carers

New iPad Ordering Window - Monday 14th September to Thursday 8th October 2015

We write to confirm a final opportunity to purchase an iPad through The Academy iPad Scheme. Please note this will be the last time the ordering window will be open during this Academic year. The online ordering system will open on Monday 14th September and close on Thursday 8th October 2015. You will need to go to the website <http://student.freedomtech.co.uk/> and follow the password instructions on the frequently asked questions sheet. If you have any problems with ordering online you should phone 0203 367 1334.

iPads already ordered

We are pleased to announce that the iPads ordered in the first round of The Academy scheme are in the process of being delivered to The Academy. To begin the process of registering the iPad, all students will require an Apple identification.

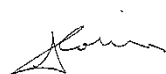

We encourage students to use an Apple ID they already have, but if they do not already have one, they can create a new ID by going to <https://appleid.apple.com/> and following the instructions. Once you have created an Apple ID, please complete the slip below and return it to your child's College Admin by Friday 16th October 2015. If you do not supply us with the Apple ID your child may not be able to collect their device. You should also ensure your child knows their password to the Apple ID, but you do not need to provide us with this information.

Providing your own iPad

If you are providing your child with an iPad from home, you will be responsible for insuring your child's device and for its maintenance.

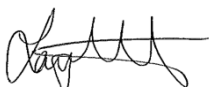

We would like to take this opportunity to thank you for your support with our iPad scheme.

Yours faithfully
