Dear Parent/Carer

Re: New PE Kit

I write to inform you that from September 2014 The Leigh Academy will be introducing a new PE uniform for Year 7 students.

This new PE kit can be purchased from SportsWear International (swi.co.uk). The new kit is black in colour but retains the individual College badges. This new kit will be phased in for other year groups from September, it is however compulsory for Year 7 students. Students in Years 8 - 11 still have the option of purchasing the current PE uniform from Longfield Wools if they wish, who have a limited amount of existing stock. We do however envisage that as PE uniform is replaced that this will be done so with the new uniform.

We will be holding sample sizes, at The Leigh from Monday 14th July 2014 if you wish to try on any garments before you purchase them online. The online ordering system will be live from early August. A size guide is available from the SportsWear International (SWI) website if you wish to use it. SWI will deliver the garment direct to your door or to the school for collection. We would prefer that you order direct from the SWI website by registering your details, but if you are unable to access the site you will be able to order by telephone, and in exceptional cases you can contact the Academy and we will endeavour to support you to make your online purchase.

Please ensure that you have everything in time for the start of term in September, as it is most important that each student is appropriately dressed and prepared for the start of the academic year for all physical education lessons.

If you have any queries regarding the new PE kit please do not hesitate in contacting me via email matteo.stamato@leighacademy.org.uk.

Yours sincerely

Matteo Stamato
Director of Learning for PE
