CPs/StudentSafety

Dear Parents/Carers

Following an incident at The Leigh Academy on Thursday 17th December, we write to reassure you of your child's safety on site.

During the incident, the teenagers scaled an 8 foot fence to gain access to the site, they were subsequently apprehended at the first point of contact with staff. Police were called and subsequently arrested a 14 and 16 year old at the scene.

We are confident that The Leigh Academy site is secure, with only one external entry point through main reception. We will, however, continue to monitor and review our security systems to ensure the safety of our students remains our key priority.

We are sure you will join us in thanking the members of staff involved for their actions to apprehend the youths and to ensure your child left the site promptly and safely.

We wish you all a Merry Christmas and a Happy New Year.

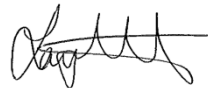

Yours faithfully
