

13<sup>th</sup> June 2016

KBR/JHW/V108

Dear Parent/Carer

### **Show My Homework**

In order to improve the quality and consistency of homework, The Leigh Academy is investigating the possibility of subscribing to the award winning software “Show My Homework”. We have decided to trial this software with our Year 9 students to see if this is something that will benefit students, staff parents and carers.

From Monday 20<sup>th</sup> June 2016, all homework for Year 9 students will be recorded by teachers on “Show My Homework”, a website which can be accessed by both students and parents alike via the Academy website, by clicking on the “Show My Homework” logo located on the bottom right of the Homepage.

This website allows students and parents to keep track of what homework has been set, how much time is expected to be spent on that homework and the deadline for submission. Students and parents have their own logins for “Show My Homework” which will enable them to view their individual timetable. However, if you forget your login details you can still view The Academy calendar to search for your homework. Login details can be found on the accompanying letter.

The software is very straightforward and easy to use and can be accessed via a computer, tablet or mobile device. If your child does not have access to the internet at home they can use the Learning Plaza computers before or after school, or at break or lunch, to print off their homework. If you have any questions please contact me at The Academy using the following address [kevin.brewer@leighacademy.org.uk](mailto:kevin.brewer@leighacademy.org.uk) . Alternatively you can contact “Show My Homework” directly using [help@showmyhomework.co.uk](mailto:help@showmyhomework.co.uk) or by calling 0203 397 7546

Yours faithfully

Kevin Brewer  
Vice-Principal
