We are delighted to have such a strong Senior Leadership Team moving forward with internal promotions and external additions, ensuring stability and our continued drive for excellence for all.

We would also like to take this opportunity to inform you that following a period of staff, parent and student consultation, the Governing Body have ratified the proposed changes to The Academy day which we believe will:-

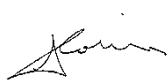

- maximise learning opportunities and ensure students are consistently engaged in their learning and making good progress
- allow us to timetable more frequent lessons for subjects so that students can embed and develop subject knowledge and the skills that the new curriculum demands

The earlier finish to the Academy day will also provide greater scope for staff to support students after school on an individual and small group basis and for the expansion of after school clubs and activities.

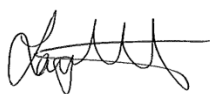

The timings of The Leigh Academy Day from 1<sup>st</sup> September 2017 will therefore be as per the attached sheet.

Thank you for your continued support and we look forward to working with you in partnership next year.

Yours faithfully

Julia Collins  
Academy Principal

Faye McGill  
Academy Principal
