Dear Parents/Carers

Year 10 Leigh Academies Trust Careers Convention

The Leigh Academy is committed to offering diverse opportunities and supporting students with improving their knowledge of careers and job opportunities. The Leigh Academies Trust have arranged for all Year 10 students to attend a Careers Convention at Longfield Academy on **Thursday 13th July 2017**. The event has been subsidised by The Leigh Academies Trust and all travel and resources are provided free of charge.

The Careers convention will allow students the opportunity to gain a greater insight into the various career sectors and meet a variety of employers and business people. Students will also have the chance to discuss what qualifications are required in various industries, explore the world of apprenticeships and ensure they develop aspirations for their own futures by asking questions to the recruitment teams from a wealth of business managers and entrepreneurs.

Students will be travelling to Longfield Academy on a coach and will be required to attend the trip and all other academic lessons on the day in Academy uniform. Students will be attending the sessions for approximately 1 hour and will meet in reception at the following times before returning approximately 2 hours later.
