Dear Parent/Carer

Subsidised iPad Scheme

We are committed to ensuring all students are given equal access to the iPad scheme.

Your child is entitled to a subsidised iPad if she/he:-

- Is currently eligible for free school meals
- Has been eligible for free school meals in the last 6 years
- Is adopted or a Child in Care
- Has one parent in the armed forces

The Leigh Academy will subsidise your child's iPad so that you will only have to pay £5 a month towards the cost of the iPad, the insurance and a case. If your child will be in Year 7, 8 or 9 in September 2016 they will join a three year scheme. At the end of the three years the iPad will belong to you.

You will need to order your iPad in the same way as detailed in the Frequently Asked Question sheet.

Your Username will be **Leigh2017PP** and your Password will be **Welcome01**

In order to provide as many iPads as possible, we are unable to subsidise any other iPad models. If you would like a different iPad, you will need to join the whole Academy scheme and this will not be subsidised.

If you have any queries regarding the subsidised iPad scheme, please email them to:

Yours faithfully
