

July 2018

Dear Parent/Carer

Subsidised Chromebook Scheme

We are committed to ensuring all students are given equal access to the Chromebook scheme.

Your child is entitled to a subsidised Chromebook if she/he: -

- Is currently eligible for free school meals
- Has been eligible for free school meals in the last 6 years
- Is adopted or a Child in Care
- Has one parent in the armed forces

The Leigh Academy will subsidise your child's Chromebook so that you will only have to pay £5 a month towards the cost of the 100e Chromebook & the 36 month insurance scheme. If your child will be in Year 7, 8 or 9 in September 2018 they will join a three-year scheme. At the end of the three years the Chromebook will belong to you.

You will need to order your Chromebook in the same way as detailed in the Frequently Asked Question sheet.

Your Username will be **Leigh2018PP** and your Password will be **Welcome01**

In order to provide as many Chromebooks as possible, we are unable to subsidise any other Chromebook models. If you would like a different Chromebook, you will need to join the whole Academy scheme and this will not be subsidised.

If you have any queries regarding the subsidised Chromebook scheme, please email them to: matteo.stamato@leighacademy.org.uk

Yours faithfully

Julia Collins
Principal
