Principal: Mrs Julia Collins

Dear Parents/Carers

Re: Internet Safety Update

At The Leigh Academy we aim to ensure we are always at the forefront of E-safety advice and guidance for our staff, students and you the parent/carers. I am writing to you today to share with you some guidelines that will allow you to educate both yourselves and your children about the risks, hazards and potential dangers that are present online today.

We regularly remind students about how to be safe online in Healthy Minds lessons, tutor time and assemblies but we are asking for your support with this.

We have added a range of resources to our website for all parents to access. The aim is for these resources to inform and assist you in having vital conversations with your children about their online identity, how safe they currently are online, and what you both can do to support them to stay safe online.

Please follow the below link to our website which will take you straight to the downloadable resources for your convenience.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Mr Piggott
Assistant Head of College
E-safety Coordinator
