

THE LEIGH ACADEMY

14th May 2020

JCO/JHR/10&12/Questionnaire

Dear Parent/Carer

Re: Year 10 and Year 12 Questionnaire

Following on from the Prime Minister's announcement on 10th May and the publishing of the government's 'Plan to Rebuild' document and 'road map' we at The Leigh Academy are working to plan a phased return to the academy for Year 10 and Year 12 students. At this point there is not a fixed date but we are following the government guidance that:

"Secondary schools should prepare to begin some face to face contact with Year 10 and Year 12 pupils who have exams next year, in support of their continued remote, home learning."

As such, we are beginning to plan for some education on site for Year 10 and Year 12 students in Module 6. As always, the safety of our community, students, staff and their families is paramount and we will be following all guidance published by the government, the Department for Education and Public Health England.

I am asking parents to complete the following short survey to help us think about how we can safely plan to deliver some form of 'face to face' education to your child in Year 10 or Year 12 in June and/or July.

We are in the initial planning stages, collecting information from parents and from staff and we are working in unison with The Leigh Academies Trust, governors and all parties in how best to proceed with government guidance.

I know that you will have many questions over the coming weeks and I will communicate with you further as plans take shape.

Thank you for taking the time to complete the survey below.

Please complete by the end of Tuesday 19th May 2020.
