Dear Parent/Carer

## **RE: Attendance to The Leigh Academy**

It is wonderful to have our Leigh community back to full capacity with students in every year group back on-site learning with us. However, a reminder that if your child has the following symptoms then they should not be in the academy:

- A high temperature
- A new, continuous cough
- Loss or a change to sense of smell and taste

If you or your child has any ONE of the above symptoms then your household must self- isolate for 10 days from the start of the persons symptoms or until a test has been taken and a negative result returned.

If your child displays any of these symptoms in the academy then we will call you and ask you to collect your son/daughter and any siblings immediately. You will be required to book a Covid test, you can arrange this online, <https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing>, or by calling 119.

You and anyone you live with must stay at home and self-isolate until you get your result. Anyone in your support bubble must also self-isolate until you get your result. Please use the following link for advice on self-isolating:  
<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

Please call The Leigh Academy and notify us of your test result. We will ask for proof of a negative result before your child can return to the academy.

Thank you for your diligence and understanding.

Yours faithfully

Julia Collins
