JCO/JSN/Car park update

Dear Parent/Carer

Re: Car Park Update

Thank you to the majority of parents/carers who are supporting us in our initiative to further improve safety in our car park I know many families are participating in our 'Park and Stride' Initiative, dropping their children a short distance away to meet friends to walk in together, benefiting from exercise and developing independence on the way to or from the academy. For those who still decide to drive their child onto site, we have been monitoring the drop off and pick up and would like to refine further. Please see details below:

Drop off

Please enter the car park, driving at less than 5mph and follow the guides to the left where there will be a drop off zone as indicated in yellow on the attached diagram. Please pull over in parallel to Goals for a quick and safe drop off. This will allow your child to safely get out of your car and walk onto the pavement towards the academy safely. If you wish to park then please do so at the far end of Goals car park so as not to block the car dropping off behind you.

Pick up

If you are collecting your child at the end of the day then please either arrange to meet him/her a short walk away or if you decide to come into the Leigh site then please park in a parking space at the Goals end of the car park. If you then wish to walk to the pedestrian gate to meet your child, you are welcome to do so.

These changes have been introduced to keep all of Leigh community staff and students safe and safeguarded. I thank you in advance for your ongoing support shown through polite and courteous behaviour and driving whilst on our academy site.

Yours faithfully

Julia Collins
Principal
